**PURPOSE:** The purpose of this form is to gather data related to animal use for research, development, testing, evaluation, clinical investigations, diagnostic procedures, and/or instructional programs conducted by or for the U.S. Army Medical Research and Materiel Command. This report is **NOT** to be used to report all animals used at your facility unless all work was conducted under contract with the U.S. Army Medical Research and Materiel Command. A separate form must be prepared for each award. This report is to cover one fiscal year (01 October - 30 September).

**DEFINITIONS/INSTRUCTIONS:**

Column A: List all animals used for the research, development, testing, evaluation, clinical investigations, diagnostic procedures, and/or instructional programs conducted. For the purpose of this report, an animal is defined as **any living nonhuman vertebrate**.

Column B: Refers to the purchase, breeding, or other acquisition of individual animals in the reporting fiscal year for assignment to a particular work unit or protocol. Animals carried over from the previous fiscal year and not yet used in any procedures or studies, must be included in this number for the work unit or protocol to which they are assigned.

Column C: Number of animals used in which the procedures did not cause more than slight or momentary pain or distress.

Column D: Number of animals used that were given analgesics, anesthetics, or tranquilizers to relieve pain or distress.

Column E: Number of animals used in painful procedures in which pain relieving compounds were not administered.

Column F: Sum of columns C, D, and E.

**Forward this report by DECEMBER 01 of each year to:**
